Why Italy was chosen by the Chinese companies?

Propose to the Chinese entrepreneurs of Zhejiang Province investment opportunities in Italy and make a direct comparison between Eastern and Italian companies, along with representatives of the institutions that promote development. This is the business purpose of the meeting promoted by the Invitalia and the Department of Commerce of Zhejiang Province, under the coordination of Consulate General of Italy in Shanghai and with the collaboration of the Ministry of Foreign Affairs, the Ministry of Economic Development of Regions and the Piedmont, Marche, Liguria and Sardinia Confederation of Italian industries.

- Italy as the ideal destination for Chinese companies to establish or expand in Europe to implement industrial synergies and to develop new products and advanced services with high added value.
- The Project "Attraction of investments by several Chinese provinces to Italian Regions", co-funded by Invitalia and the multiregional program for the support of Regions with China (so-called "Programs MAE-Regional-China").
- Italy's advantages as a high-quality investment destination, describing the incentives and free services provided by Invitalia to foreign investors, illustrating investment opportunities in Italian Regions. Moreover, one-to-one meetings will be held to facilitate in-depth knowledge of Italy's investment environment.

How do you find Chinese companies in Italy?

Ask the related organization

The Chinese companies in Italy are representing EU-China trade relationships. Italy is a key country in the EU which China has a great deal imports/exports trading with. Therefore Chinese companies invested in Italy are important indicator for economic development between China and the EU.
